

COVID-19 Update

Important points regarding the COVID – 19 pandemic as it relates to services provided by North Yonge Veterinary Hospital.

- Our hospital has always and will continue to operate with a very high standard of infectious disease prevention. We are also taking all additional steps and best practices required to keep our clients and staff safe.
- Our office is open BY APPOINTMENT ONLY and this will include anyone coming in to the hospital to pick up food, prescriptions etc.. Please call us (905 830-0437) for any appointments, prescription or food/products ordering before coming to our office, so that we can assist you.
- Please read the document “
- We will be reducing/changing our regular office hours as necessary and will keep you updated as they change.
- **EFFECTIVE IMMEDIATELY, OUR CURRENT OFFICE HOURS ARE:
MONDAY – FRIDAY, 9 a.m. – 12 noon.**
- Our online store (MYVETSTORE) is still available as usual, but please order well in advance, as deliveries will likely be delayed for the foreseeable future.
- We will post updates to our website www.northyongevet.com and our Facebook Page [North Yonge Veterinary Hospital](#) will have these updates and other frequent pet health updates as well.

Thank – you and wishing you and your families good health and safety during this challenging time;
